List Price: 102.95 Lowest Wholesale Price: 76.25

All materials bid as of July 1, 2003 must be offered in an alternative format for students who require reading accommodations. A description of the levels of accommodation is included on p. 8-9 of this bid packet. The Kentucky Department of Education must receive a copy of the alternative format if the material is placed on the State Multiple List.

Level of Accommodations (Level One, Two or Three) Level Three

If Level Two or Three, please provide rationale for not meeting Level One Compliance It is not financially feasible for our products to meet Level One at this time.

FEATURES

DISCLAIMER: The features of each book or program were developed by the publisher and do not reflect the opinion of the State Review Team, State Textbook Commission, nor of the Kentucky Department of Education.

Content

- Reflects the most current trends in business practice, especially matching personality type to specific jobs
- Includes objectives and review questions to help readers monitor their progress
- Covers both the art and science of horticulture to provides a balanced approach

Student Experiences

- Includes numerous illustrations to help readers identify plants and trees

Assessment

This comprehensive text introduces students to both the art and science of ornamental horticulture. The book includes equal coverage of such diverse topics as science, crop production, craftsmanship, and business management skills. From this balanced perspective, the student gains an appreciation for the value of the diverse segments of ornamental horticulture. In addition, the text offers students a realistic view of the business skills required to be successful in ornamental horticulture. Such pedagogical features as extensive illustrations, objectives, and review questions help students monitor their progress. This unique text gives students a well-rounded view of both the art and science of ornamental horticulture to prepare them for careers in this exciting industry.

Organization

- Chapters are self-contained, allowing readers to customize their study
